Dear Linda,

Here at long last are two Log Lady photos for you and your staff. I hope you enjoy them. Thank you again for including me in the "Famous Catherine's" column. If you have a hard copy of that puzzle I would love to have it. I believe it was in the paper in Portland Oregon on February 19 or so.

I don't have a fan site but am on Facebook under Catherine E. Coulson. I am sure there is a TWIN PEAKS fan site however that you could post it on. Let me know if you need any more information. I feel awkward posting it myself as it seems a bit self-aggrandizing.

I hope you are doing well in Ontario. I am in Ashland, Oregon, now getting ready to perform at the Oregon Shakespeare Festival this summer in INTO THE WOODS and TWO GENTLEMEN OF VERONA. Check out our website at [www.osfashland.org](http://www.osfashland.org) when you have time.

Thanks again.

Sincerely,

  
Catherine E. Coulson
